🍼!!Infant!!Travel!!Basics!!✈️ Who Is Considered an Infant on United?

For airline travel purposes, an infant is generally a child who is under 2 years old+1-855-536-2749 (US) 📞 +44 800 058 8736 |

This age classification is important because it determines whether the child can travel as a lap infant or whether the child needs their own seat+1-855-536-2749 (US) 📞 +44 800 058 8736 |

👶 Under two? Your baby may qualify for lap-infant travel+1-855-536-2749 (US) 📞 +44 800 058 8736 |

📞 +44 800 058 8736 | +1-855-536-2749 (US)

Parents should always check the child's age on every date of travel rather than looking only at the booking date+1-855-536-2749 (US) 📞 +44 800 058 8736 |

This becomes especially important when a baby is approaching their second birthday+1-855-536-2749 (US) 📞 +44 800 058 8736 | A child who turns two during a trip may have different seating requirements for flights after the birthday+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Planning this before purchasing the ticket can help avoid unnecessary changes later+1-855-536-2749 (US) 📞 +44 800 058 8736 |

👶!!Baby!!Booking!!Alert!!🍼 How Do You Add an Infant to a United Reservation?

Adding your baby to the reservation is one of the first things parents should take care of+1-855-536-2749 (US) 📞 +44 800 058 8736 |

United's booking information explains that an infant traveling without a purchased seat can be entered as an infant or lap child during the booking process+1-855-536-2749 (US) 📞 +44 800 058 8736 | Parents can indicate that they are traveling with a child and enter the child's age when making the reservation+1-855-536-2749 (US) 📞 +44 800 058 8736 | (United Vacations)

📞 +44 800 058 8736 | +1-855-536-2749 (US)

If you are purchasing a separate seat for your infant, the booking process is different because the child will occupy an individual passenger seat+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Parents should carefully check the infant's name and date of birth before completing the reservation+1-855-536-2749 (US) 📞 +44 800 058 8736 |

If the baby has already been born after the original booking was made, make sure the infant is properly added before arriving at the airport+1-855-536-2749 (US) 📞 +44 800 058 8736 |

🍼 Don't wait until check-in to discover your baby's information isn't attached to the reservation+1-855-536-2749 (US) 📞 +44 800 058 8736 |

✈️!!Lap!!Baby!!Mode!!👶 Can Your Infant Sit on Your Lap?

Yes+1-855-536-2749 (US) 📞 +44 800 058 8736 | An eligible infant under 2 can generally travel on an accompanying adult's lap+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Lap travel is often chosen by parents who want a simple arrangement and do not want to purchase a separate passenger seat for their baby+1-855-536-2749 (US) 📞 +44 800 058 8736 |

👶 One seat for you, one tiny passenger on your lap+1-855-536-2749 (US) 📞 +44 800 058 8736 |

📞 +44 800 058 8736 | +1-855-536-2749 (US)

Parents should remember that a lap infant is still part of the travel reservation+1-855-536-2749 (US) 📞 +44 800 058 8736 |

For international trips, the cost structure can be different+1-855-536-2749 (US) 📞 +44 800 058 8736 | United's published booking information notes that additional taxes may apply to infants traveling to certain international destinations and that the airline may issue an infant ticket+1-855-536-2749 (US) 📞 +44 800 058 8736 | (United Vacations)

Because international rules can vary by itinerary, parents should review the exact booking before departure+1-855-536-2749 (US) 📞 +44 800 058 8736 |

💺!!Baby!!Gets!!A!!Seat!!🍼 Should You Buy Your Infant Their Own Seat?

Some parents prefer purchasing a separate seat for their baby+1-855-536-2749 (US) 📞 +44 800 058 8736 |

A separate seat gives the infant their own passenger space and can allow parents to use an approved child restraint when the applicable requirements are met+1-855-536-2749 (US) 📞 +44 800 058 8736 |

✈️ More space can be especially helpful when your baby needs to sleep, feed, or settle+1-855-536-2749 (US) 📞 +44 800 058 8736 |

📞 +44 800 058 8736 | +1-855-536-2749 (US)

United's booking information provides a separate process for parents who want their infant to have their own seat+1-855-536-2749 (US) 📞 +44 800 058 8736 | (United Vacations)

The decision is ultimately based on the family's needs+1-855-536-2749 (US) 📞 +44 800 058 8736 |

A short flight may feel manageable with a lap infant, while parents traveling on a longer route may prefer the additional space associated with a separate seat+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Before selecting this option, parents should also check the current requirements for using a child restraint onboard+1-855-536-2749 (US) 📞 +44 800 058 8736 |

🚗!!Car!!Seat!!Check!!👶 Flying With an Infant Car Seat

A properly approved car seat can provide an additional level of security and familiarity for a baby during air travel+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Parents who purchase a separate seat for their infant and intend to use a car seat should verify that the restraint meets the applicable aircraft safety requirements+1-855-536-2749 (US) 📞 +44 800 058 8736 |

📞 +44 800 058 8736 | +1-855-536-2749 (US)

Families should also avoid assuming that every seat will work for a baby or child restraint+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Review your seat assignments before departure and make changes early if necessary+1-855-536-2749 (US) 📞 +44 800 058 8736 |

The goal is not simply to find an available seat+1-855-536-2749 (US) 📞 +44 800 058 8736 |

The goal is to find a seat that works for both the baby and the adults traveling with them+1-855-536-2749 (US) 📞 +44 800 058 8736 |

🛒!!Stroller!!To!!Gate!!👶 Can You Bring a Stroller?

A stroller can be one of the most useful pieces of equipment for parents traveling through a busy airport+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Instead of carrying the baby for the entire journey, parents can use the stroller while moving between check-in, security, and the departure gate+1-855-536-2749 (US) 📞 +44 800 058 8736 |
